**What are you reading right now?**

*Inventions of the March Hare: Poems of T.S. Eliot 1909-1917*, a gift from Christopher Ricks, the editor.

**What was the last major purchase that you made?**

A business trip to Bologna that included an audience with Bob Dylan and the pope; the airline lost my luggage and so I was obligated to shop.

**What is your favorite place to go for walks in or around Boston?**

Was the old Northern Avenue Bridge. We're working to beautify Edgar Allan Poe, a good place for a quick stroll.

**What's your guilty pleasure?**  
I have no guilt.

**A magazine, a snack, and a place to enjoy them. *STUFF*, a Sky Bar, the old Northern Avenue Bridge.** ☺
